Students receiving special education services receive vision & hearing screenings yearly

All students are required to have an “Allergies and Conditions” form completed by their parent(s) via *My Ancona* annually.

Students with **allergies, asthma, diabetes, seizure disorder, or other medical conditions** that require medications or accommodations at school will need an action plan form completed by a healthcare provider.

All other forms can be found on Ancona’s website under [Health Screenings & Immunizations](#).

***Required Immunizations by grade level:**

Pre-Primary 3

- DTap (Age 2)
- MMR
- Polio (Age 1)
- Varicella (Chicken Pox)
- Hepatitis A (optional)
- Hepatitis B (Age 2)
- HiB
- Invasive Pneumococcal Disease

Pre-Primary 4

- All Pre-primary 3 immunizations
- DTap (Age 4)
- Polio (Age 4)
